

COVID-19 UPDATE:

WE ARE HERE TO SERVE YOU

After a careful review of the on-going COVID-19 situation, and the urgent need to promote social distancing which could help curb the further spread of the virus, we will be closing our corporate offices in Lagos and Abuja to the public, effective today, **Wednesday March 25, 2020** until such a time that the situation permits us to re-open.

eTranzact remains committed to the wellbeing and safety of its staff, customers, partners and community at large.

Though our offices remain closed to the general public, all our operating channels are open 24/7 to the public.

In line with our corporate brand promise of “efficient service delivery,” we will maintain our operations and service delivery, and to this end, our Operations, Technology, Customer Interaction teams have been equipped to work remotely to keep on serving you.

Our technology infrastructure and customer service channels are up and running all through this period.

You can always reach us via the usual communication lines and emails, and we will be available to handle your enquiries.

While we pray for a swift resolve of the COVID-19 crisis, we urge all our clients, partners and stakeholders to please stay safe, by practicing social distancing, regular washing of hands, and all the hygiene protocols as widely shared by the Nigeria Centre for Disease Control, NCDC

We shall provide further updates as often as required.

Please be safe out there.

Sincerely,

Niyi Toluwalope
MANAGING DIRECTOR/CEO
